Health Insurance

Program & Policy Changes

IIE reserves the right to change programs and policies without prior notice.

ATTENDANCE & CONDUCT POLICIES

It is the policy of IIE Hawaii that all students attend class every day in order to ensure academic excellence, readiness and consistency. Students with an F-1 visa must maintain 80 percent attendance per term for their visa to remain valid. All students who fail to consistently maintain 80 percent attendance, or who are absent 10 days consecutively, are subject to termination of enrollment and if applicable, immediate termination of F-1 visa.

Leave Of Absence

A Leave of Absence may be granted for urgent personal reasons or family emergency. Students must leave the U.S. within 15 days of suspending studies, unless there are medical reasons for the leave (doctor's recommendation is needed). There is a maximum of two Leaves of Absences, not to exceed 60 days in total or 25% of total enrollment. If students do not return by the specified date, IIE's cancellation policy goes into effect.

Vacation

F-1 students can take up to 2 week vacation after they have studied at IIE for at least four terms (16 weeks). Students can combine vacation time for a total of four weeks if they have studied at IIE at least 9 months. (Students in the Academic Year program are eligible for 2 weeks of vacation per academic year after they have studied for at least 2 sessions). Students must be enrolled at IIE a minimum of four weeks after the scheduled vacation. Vacation requests must be made four weeks before departure.

English Only Policy

In order to encourage the use of English, IIE has a strict English Only Policy on the premises and on all school activities.

Student Conduct & Dismissal

Students must comply with rules and code of conduct of school, including attendance and English Only policies. Students in continued violation after appropriate warnings will be dismissed with no refund on studies.
